ONLINE FINANCIAL PLANNER PROGRAM

SPECIAL CORPORATE PRICING AVAILABLE!

Isn't Now the Time to Consider CFP® Certification?

The Industry continues to get more competitive and investing in your personal career will yield benefits. The industry standard for Wealth Management & Financial Planning is the CFP® Certification. Obtaining the CFP® Certification will yield the following results:

- **80%** Higher Median Income than Peers*
- **32%** Growth Expected in Financial Planning Over Next 10 Years

This program is specifically designed for practicing financial professionals who lead busy lives. Through this education, you can be on your way to:

- Deepen Existing Client Relationships
- Fulfill broader needs of your clients & prospects
- Be recognized as a professional of distinction among your peers

A Program That Stands Out from the Crowd
